The IRTPA Award's Evening

- The IRTPA will annually hold an evening at which professionals will honour and award their own.
- This evening is, in itself, a branding opportunity for your company, or alternatively supporters may wish to underwrite a specific award.

The current three awards are for the following categories:

- Membership/Club Building. Assessed in conjunction with each club's Membership Secretary (or relevant other) this will be awarded to the professional (or professional team) that has achieved the greatest membership growth in a year.
- New Heights. The player who achieves the greatest handicap improvement in a calendar year, and who also shows dedication to the game, will be eligible for this award. If an amateur winner, the IRTPA will give this financial award to the Academy of Excellence.
- Increasing funds to all IRTPA professionals. An award that recognises daily excellence. Awarded to the professional who has shown consistent reliability, initiative and enthusiasm in their daily work, and who serve to promote professionalism and real tennis in this subtle and often unrewarded way.
