Welcome from LTCC

A warm welcome to all players and guests for this year's Apps Plus IRTPA Championships. We are very proud to be hosting this world ranked tournament for the first time, and bringing the world's top 16 players to our wonderful club. I would like to extend our thanks to all our sponsors, especially main sponsors Apps Plus and BPS, and all the people who have made this event possible, from Ben organising the tennis side, to members hosting players. I trust the social side of this week long tennis extravaganza will match up to the quality of tennis on the court, and uphold the LTCC reputation of putting on a good show. Finally, please respect the players at all times, passionate support is always a feature at LTCC but please only between rests!

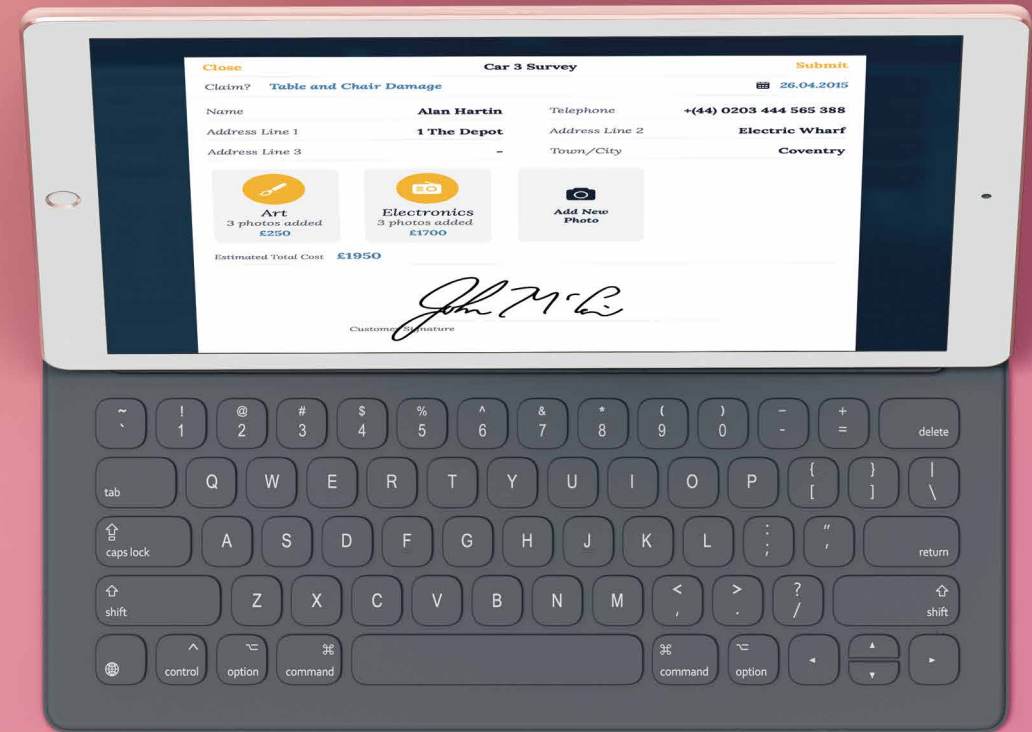

Guy Stanton
Chairman LTCC

Message from the World Champion

I am very excited to be making my first trip back to Leamington in almost 20 years. I could not imagine a greater club or venue to host this prestigious event, and I look forward to helping bring some of the best court tennis possible to the Leamington Club. The IRTPA Championships is one of the most important tournaments on the professional calendar, especially with the incredibly competitive World Championship race this year. Thank you to Ben Taylor-Matthews and the Leamington Tennis Court Club for taking on this great event, I hope it is only the first of many we have at your beautiful club!

A DUTY *to* DELIGHT

SINCE 1849

Welcome from IRTPA

The members and players of the IRTPA are thrilled The Leamington Tennis Court Club are the hosts for this year's tournament.

To have the IRTPA Championships being played at The Leamington Tennis Court Club is for the members of the International Real Tennis Professionals' Association (IRTPA) an important 'happening' on a number of fronts. The Championships is one of the six world events to hold world ranking points; it is taking place in the closing year of the world race for the top four players at the end of 2017 to take up the right to challenge the world champion, Camden Riviere, in the World Championships in 2018, the Championships has not been held at The Leamington Tennis Court Club before and it is the first time The Leamington Tennis Court Club has hosted a world ranking event.

The IRTPA thank the club, its Chairman Guy Stanton and his committee for committing to this undertaking and know they will not be disappointed in the tennis they will encounter.

The IRTPA would also like to thank the members of The Leamington Tennis Court Club for giving up their court time but hope they will feel recompensed by the tennis they will see on their doorstep. We hope also that all those attending the event not only enjoy the tennis but the renowned hospitality of The Leamington Tennis Court Club.
