### Welcome from The Chairman

I am delighted that the 2018 Real Tennis World Championship will be hosted at The Queen's Club, London, from 24th – 28th April 2018. Queen's is London's premier private members racquet sports club, which hosts the Queen's Club Championships in June each year. The World Championship will be sponsored by Moore Stephens, a global accountancy and advisory company.

The Challenge will see the defending World Champion, Camden Riviere, take on the winner from the Eliminator series of matches involving the next four best players in the world.

I very much look forward to welcoming you to The Queen's Club for a memorable tournament in April 2018, and hope that we shall be joined by as many as possible of the Tennis Community from around the world.
